Federal Grant Application & Amendments

Examples of questions that can be directly addressed by the Federal Grants team:

- Is this an allowable IDEA cost?
- Can I make a revision or change to my budget?
- I can't find my allocation; when will the IDEA Allocation/RFPs be posted?

The screenshot shows the 'Federal Grant Programs' webpage. At the top, there is a 'Federal Grant Programs Updates' section with a message: 'There are no Federal Grant Programs Headlines at this time'. Below this is a 'Federal Grant Programs Updates Archive' link. A large blue arrow points from the 'Grant Liaison List by district' text to a link in the right-hand sidebar. The sidebar contains a 'Contact Us' section with an email icon, 'Federal Grant Programs', the phone number '781-338-6230', and a link 'DESE Federal Grant Liaisons by District'. Below that is a 'Links' section with a link icon, 'Visit DESE Grants page to apply for these federal grants and for indirect cost rates and grant assurances', 'EdGrants', and 'EdGrants User Guides'. Examples of questions that can be directly addressed by the SEPP team:

- How do I know which private schools to contact for equitable services?
- What information should be included in the GEPA statements?

AGENDA:

1. Transition from EdGrants to GEM\$
2. Indepth look at the application
3. Live Look at FY25 IDEA Application
4. Available Resources

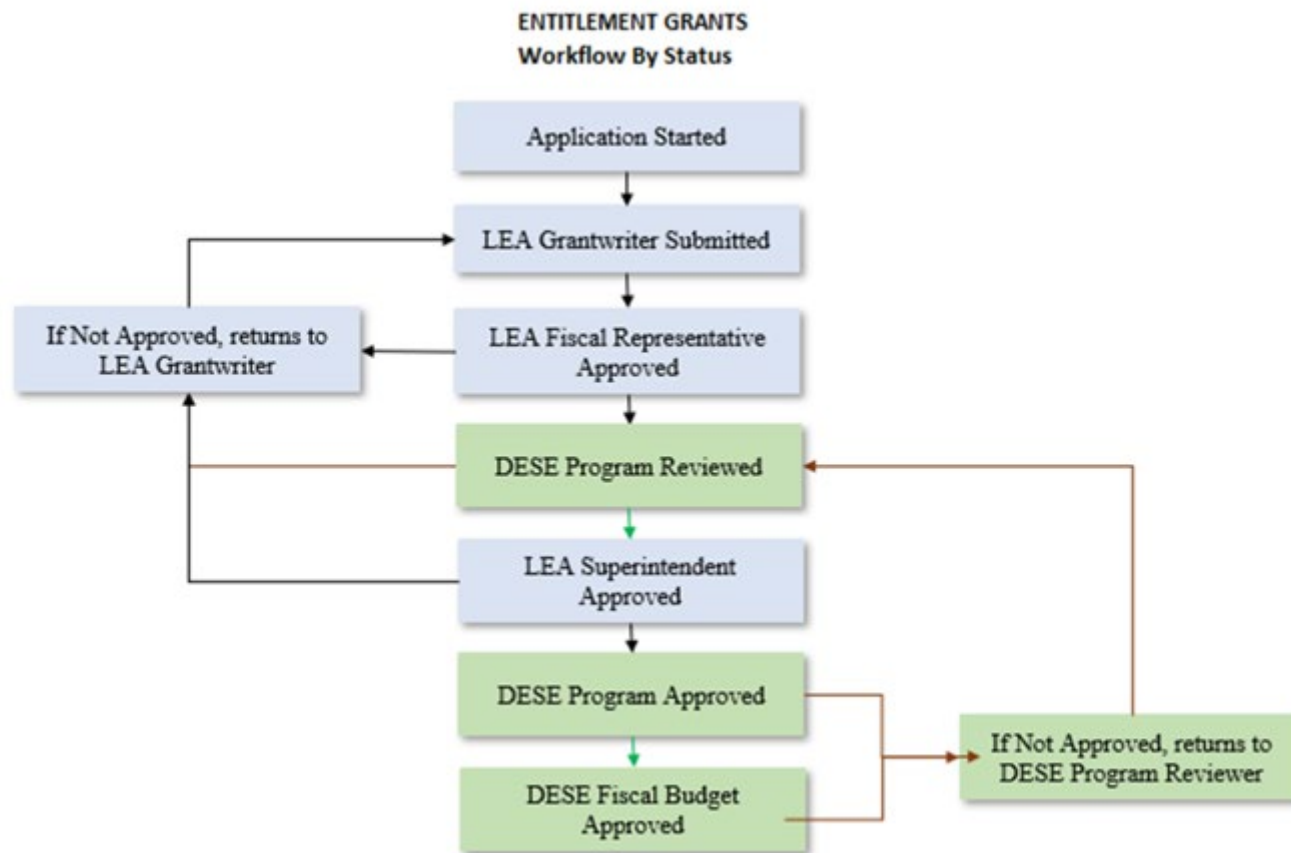

Transition from EdGrants to GEM\$

- Both EdGrants (FY23 and before) and GEM\$ (FY24 and forward) will simultaneously be live and accessible.
 - FY23 IDEA grants end 9/30/24
- Check the RFP if unsure which grants are in EdGrants vs GEM\$
- FY24 Grants moving forward will be accessed via GEM\$
- The GEM\$ site URL is <https://mass.egrantsmanagement.com/>

GEM\$ Roles

- To be added to the system/a specific grant, please contact your district's User Access Administrator (UAA) to assign you a GEM\$ role (multiple people can have the same role).
 - To find your district's UAA, use the left navigation menu to access the "Address Book"
- You will need the role of **IDEA Consolidated Grantwriter** in order to complete the IDEA application in GEM\$.

GEM\$ Access-Workflow

The start date of your IDEA grants will be the date of LEA Fiscal Rep Approval.

GEM\$ Signoffs

- The Superintendent/Chief Executive role must be held and should be exercised by the actual organizational leader.
 - The Superintendent/Chief Executive must approve funding applications in GEM\$ unless unavailable to approve for a length of time that would unreasonably delay submission of the funding application.
- All funding applications require at least 2 sets of eyes from an LEA – the Superintendent and at least one other (either the LEA Fiscal Representative or the LEA Grantwriter, or both).
- In no case should a funding application be created/approved by the same person holding all three LEA roles.
 - *Note: The same person may be assigned all three roles in GEM\$ (although this would be unusual) but cannot exercise all three roles on the same funding application.*

LEA Requirements for GEM\$ User Roles - Guidance and Forms

DESE has created a [GEM\\$ LEA User Role Resource Guide](#) designed to describe the capabilities and responsibilities that each role has in GEM\$, as well as DESE's expectations for how these roles will be used and managed by each LEA.

In addition to the resource guide, DESE has created several forms (linked below) that must be used if a district wishes to assign new roles to staff. Some forms will be sent directly to DESE, others uploaded to GEM\$, and the majority will solely be kept on file with the LEA. The [GEM\\$ LEA User Role Diagram for Use of Forms](#) provides an overview and instructions for using the forms.

User Role Forms for all GEM\$ Roles:

[GEM\\$ First User Access Administrator Form](#)

[GEM\\$ Alternate User Access Administrator form](#)

[GEM\\$ LEA General User form](#)

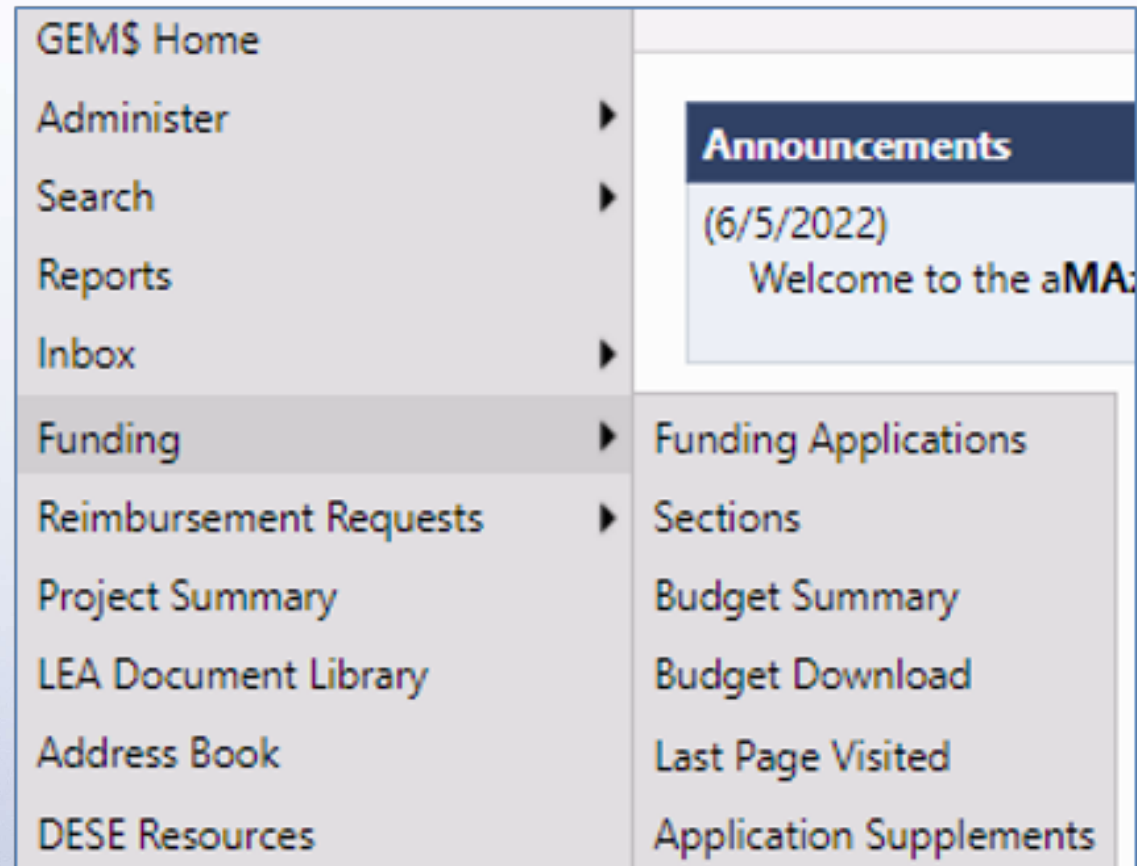

[GEM\\$ LEA Superintendent Chief Exec form](#)

[GEM\\$ Vendor Authorization User form](#)

The forms, as well as the resource guide, are also posted on the DESE Resources page of [GEM\\$](#).

GEM\$ Navigation Tips

- The left menu allows for quick navigation between GEM\$ components.
- From the menu, hover over menu items with arrows to view sub-menus.
- Use GEM\$ navigation links; not your browser's Back button.

The screenshot displays the GEM\$ navigation interface. On the left is a vertical menu with the following items: GEM\$ Home, Administer, Search, Reports, Inbox, Funding, Reimbursement Requests, Project Summary, LEA Document Library, Address Book, and DESE Resources. The 'Funding' item is highlighted, and a sub-menu is open to its right. This sub-menu contains: Funding Applications, Sections, Budget Summary, Budget Download, Last Page Visited, and Application Supplements. Above the sub-menu, there is an 'Announcements' section with a date of (6/5/2022) and a partial text 'Welcome to the aMA:'.

Maintenance of Effort (MOE)

- MOE is **required** for all LEAs
- Any LEA receiving IDEA Part B funds must budget and spend **at least the same amount of local or state and local funds for the education of children with disabilities on a year-to-year basis**
- **Ways to Meet MOE**
 - The law gives LEAs 4 options to demonstrate they have met MOE (MA on allows for methods 2 and 4):
 1. Total amount of local funds,
 2. Total amount of State and local funds in the aggregate,
 3. Per capita (e.g., per child with disability) amount of local funds, or
